A RICHARD ALAN GROUP COMPANY

## Group Support

### **Safety Officer.**

Safety is of paramount importance for all our workers and site visitors.

We will provide hazard analysis, method statements and risk assessments in order to control all activities and reduce the risk of incidents. Performance will be measured via safety audits. Concerns will be promptly communicated to employees and clients alike with corrective actions being undertaken as quickly as possible. Standards will be constantly maintained through regular training to ensure all legislative changes are communicated and enforced.

### **Purchasing**

Using the central purchasing facility of the RAG, Building Services has access to a wide variety of suppliers and services at competitive prices, ensuring value for money for the customer and on time delivery of materials.

### **Administration**

RAG will provide all admin duties for Building Services ensuring necessary paperwork is handled in an organized and professional manner.

### **Skill Base**

- Project and site management experience
- A team of qualified tradesmens, with experience ranging over 25 years
- Access to skilled and reliable contractors as required
